	 The screenshot displays two web-based testing tools. On the left is the 'TOOLSQA' interface, featuring a sidebar with categories like 'Demos', 'Form', 'Table', 'Page', 'Page & Element', and 'Page'. The main area is titled 'Select Menu' and includes a 'Select Option' dropdown, a 'Select Date' field, and a 'Select File' button. On the right is the 'ZeroStep' interface, which promotes 'Build Playwright Tests using AI' and includes a 'Try for Free' button. Both interfaces are clean and modern, with a focus on user-friendly testing workflows.
